Dear Mr. Groizard,

In a year filled with more than a few challenges, I am happy to send you this letter with some very good news!

Sha Wellness Clinic has been selected as the Favorite Spa in Spain in our prestigious 2009 SpaFinder Readers' Choice Award competition. Sincere congratulations from all of us on the SpaFinder team!

This is our 7th annual SpaFinder Readers' Choice Awards. The first of its kind, the Awards were initiated in 2002 to honor spas in various categories, as well as across diverse regions, countries and continents. SpaFinder's vision from the beginning was to honor more than just a few top spas each year. We felt that it was important to highlight the wide spectrum of specialties spas excel in – after all, the best spas for weight loss may be different from those with the best accommodations.

Not only are these awards an important accolade for your spa, they are also an important source of information for spa goers who are looking for a spa that best suits their needs. We will be showcasing all of our winners in the *2010 SpaFinder: The Global Spa and Wellness Directory*, which will be on newsstands in October, and on Spafinder.com's dedicated Readers' Choice portal beginning October 15th.

I think this year's Awards program is very important and apparently our readers do too, as evidenced by the fact that this year we had more voters than ever before! And with well over 70,000 spas worldwide your spa's achievement is extraordinarily significant.
