Hail to heritage

A world-class "landmark" hotel rated as first-class by the Department of Tourism, the new Taal Vista Hotel recently unveiled a historical mural depicting images of the rich and intertwined histories of Tagaytay City, Taal Volcano and the hotel in a collage artwork done in shades of sepia and earth colors. Artist **Felix Mago Miguel** was commissioned to design the eight-panel mural, while **Paolo Alcazaren** undertook extensive research and writing of the mural's text.

The unveiling ceremony and the lavish cocktail drew the attendance of Tourism Secretary **Ace Durano** who was welcomed by the hotel's GM **Alex Groizard**. They were joined by VIPs, taipan **Henry Sy Sr.** with wife **Felicidad**, **Henry Sy Jr.**, former first lady **Amelita Ramos** and former Tourism Secretary **Gemma Cruz-Araneta**. This marks another victory for the Filipinos! Congratulations!
